# Simple Ways to Protect Your Identity

## At home:

- Keep your financial records, Social Security and Medicare cards in a safe place.
- Shred papers that have your personal or medical information.
- Check your mail. Did you stop getting a bill or start getting a bill you do not recognize?
- Read your bills and account statements. Are there withdrawals you did not make or charges you did not expect?
- Review your credit report at least once a year, free from Experian® (1-888-397-3742), Equifax® (1-800-685-1111) or TransUnion® (1-800-916-8800) credit bureaus.

## As you do business:

- Only give your Social Security number if you must. Ask if you can use another kind of identification.
- Do not give your personal information to someone who calls or emails you.
- Never respond to an email or phone request to provide a PIN or password. Your financial institution communication will never ask you for either.

## Online:

- Create stronger passwords by including numbers and symbols.
- Do not respond to emails or other messages that ask for personal information.
