Dear ((XFULLNAME1)),

If you could use a little extra cash during the winter holidays, why not skip a payment on your **YourFI Name** loan and use the money another way.

You can buy gifts, spruce up the house for company, make your holiday travels a little easier, or anything else. It's entirely up to you!

Use your Skip-A-Pay option on any auto or installment loan (real estate loans, credit cards, and lines of credit are not eligible). Please note that you will need to pay a \$XX processing fee, and interest will continue to accrue on the payment you skip. Read the back of this letter for more details.

We appreciate your business and wish you the happiest of holidays!

Sincerely,
