Dear ((XFULLNAME1)),

You work hard for your money, so we're inviting you to enjoy it a little more by deferring payment on your **YourFI Name** loan during the month of your choice!

Take that money and do whatever you'd like—it's entirely up to you. Your loan will stay in good standing while you use the funds for other things you may want or need.

Use your Skip-A-Pay option on any auto or installment loan (real estate loans, credit cards, and lines of credit are not eligible). Please note that you will need to pay a \$XX processing fee, and interest will continue to accrue on the payment you skip. Read the back of this letter for more details.

We appreciate your business and are always here to support your financial needs!

Sincerely,
